AaryanCorp Company Policies

Corporate Overview & Leave Policies

1.1 Company Overview

AaryanCorp is a leading technology solutions provider specializing in Cloud Data Engineering and AI-driven analytics. Founded in 2021, our mission is to simplify complex data for global enterprises.

1.2 Employment Classification

- **Full-Time Employees (FTE):** Permanent employees working 40 hours per week.
- **Interns:** Temporary trainees enrolled in a learning-based program with a fixed duration (typically 3-6 months).

1.3 Annual Leave Policy (AL)

AaryanCorp provides paid time off to help employees maintain a healthy work-life balance.

- **FTE Policy:** Full-time employees are entitled to **24 days** of Annual Leave per calendar year, credited at a rate of 2 days per month.
- **Intern Policy:** Interns are entitled to **1 day** of paid leave for every month of their internship. Unused leaves for interns do not carry forward and cannot be encashed.

1.4 Sick and Casual Leave (SCL)

- **FTE Policy:** FTEs receive **12 days** of SCL per year. A medical certificate is mandatory for sick leave exceeding 3 consecutive days.
- **Intern Policy:** Interns are eligible for **3 days** of casual leave for the entire duration of a 6-month internship. Sick leave for interns is unpaid unless otherwise authorized by the Project Manager.

Operational Policies & Progress

2.1 Work-from-Home (WFH) Policy

- **FTEs** are eligible for a "Hybrid Model," allowing up to 2 days of WFH per week with prior manager approval.
- **Interns** are required to be in-office 5 days a week to ensure proper mentorship and integration into the team culture.

2.2 Intellectual Property (IP) & Confidentiality

All code, documentation, and research produced during employment or internship at AaryanCorp remains the sole property of AaryanCorp. Disclosure of internal API keys or client data will result in immediate termination.
